

Pine Tree Council Winter Camp:

We have a great program lined up for Scouts who are at least 12 years of age and at least first class at the PTC Winter Camp.

We are looking for about 22 more Scouts to take part.

I'd appreciate it if you could send out the link to the Winter Camp Information Page to everyone on your district mailing list.

The site has information about troop activities, merit badges, schedules, menus, what to bring, signup information, and more.

Please help get the word out so we can have a full camp.

Thanks

Dean
